## Surrey County Council stops artificial snow amid Health and Safety concerns.

Christmas plans in Caterham to bring a taste of winter fun throughout the shopping areas with artificial snow on three Saturdays leading up to Christmas, fell foul of Health and Safety concerns by Surrey Highways. The plan to bring in film set snow machines had to be limited to the Asprey fountain area but nevertheless proved a huge success for families and children in the run up to Christmas. However as we all know the real snow turned up and the third intended 'Snowing Saturday' became a battle by everyone in the whole town to cope with ungritted and blocked roads for days leading up to Christmas Eve. Chris Windridge, Chairman

Peter Ainsworth, MP (left), Chris Windridge and one of Santa's helpers enjoy the artificial snow next to the Asprey Fountain

of the Caterham Community Partnership who introduced the idea of the snow machines, said: "It's ironic that the 'Fun' snow had to be scaled back, when conditions were quite safe and then followed by the real thing, which had us reaching for the record books and complaining about the lack of grit!"

## Police and residents join forces to clear snow (continued from page 1)

On Wednesday, 23rd December, officers from Tandridge's Safer Neighbourhood Team joined forces with the Caterham community to clear an icy road ensuring residents could keep on moving. Local Neighbourhood Specialist Officer PC Jo Clarke was joined by colleagues from the neighbourhood team and together with residents they all dug deep to shift thick ice from Beechwood Gardens. More than 20 residents of all ages came out to assist providing shovels, spades and brooms and set about clearing ice from the road. PC Jo Clarke said: "There was a fantastic sense of community spirit with everyone pulling together to clear the ice. At the top of Beechwood Gardens is a residential home for the elderly so we cleared the bottom half of the road making the journey to the top less treacherous for staff and nurses. The Highways

Residents and police clear the ice from Beechwood Gardens

Agency attended and gritted the road which enabled those who live there to move around more freely." Tandridge Neighbourhood Inspector Elaine Burtenshaw added: "The adverse weather conditions caused misery for local residents and on Monday some of my staff were unable to make it home and ended up sleeping at the police station. However, sadly some people have taken their frustrations out on my officers becoming verbally abusive when we are out there trying to keep people

safe and helping wherever possible to keep traffic moving. I was delighted to see so many residents turning out to support my officers in order to make their road safe for all to use." One local resident described the community atmosphere as "A bit warlike". She said: "I tried to drive my van and skidded half way down the road. I was terrified to be honest. But once the police arrived we all got on board and borrowed brooms and anything else we could lay our hands on to clear the ice."

## Youth facility reaches next stage

Local councillors were given a guided tour of the new youth provision in Godstone Road, Caterham Valley last month, by some of the youngsters involved in its design. The major refurbishment of the building is now complete; a 'Youth Cafe' area, an Internet access room and a training kitchen are some of the functions to be found and when finished, promises to be a 'state of the art' youth facility. The project will be called 'Street', following a poll of youngsters in the area. Sally Marks; the County Councillor for Caterham Valley who is providing the impetus behind the project said: "It is so exciting to see the reaction of the youngsters who last visited the building when we first took it over when it was in a very poor state. They can now see how the space has transformed into what they had hoped it would be. I can't wait to see it in full swing which should be in about March 2010. This is a unique investment into the young people in Caterham, and proof of our determination that they remain a priority for us all."

## Rotary Bunny Fun Run 2010

Bunnies line up for last year's 1km Fun Run

Preparations are well under way for the third, annual Rotary Bunny Fun Run which will set off from Queen's Park, Caterham-on-the-Hill on Sunday 28th March. As well as the 1km Fun Run there will be a 5km race for the more serious runners, which takes the runners out of the park and around a route covering Caterham-on-the-Hill and Chaldon, before returning to the park. The Caterham and District Independent is sponsoring the event as well as other local businesses -

Catex Taxis, Ross Cycles, Indulgence Confectionery and BCL Systems. The kind support of the sponsors will enable the proceeds of the event to go to St. Catherine's Hospice and other local charities. Entry forms are being circulated with The Caterham and District Independent and can be found in local outlets. For more entry forms or for more information about sponsoring the event, please call 01883 346641, e-mail rotaryruns@gmail.com or visit www.rotaryruns.co.uk.

## Burtenshaw's Beat

by Tandridge  
Neighbourhood Inspector  
Elaine Burtenshaw

In this first column of 2010, I would like to share some good news from the end of last year.

Following an alert via 'Shopwatch' radio, the local neighbourhood officers arrested a woman on suspicion of shop-lifting in Caterham Valley. Once again this partnership between ourselves and the Caterham Business community continues to thwart those who visit the area with the sole intention of committing crime.

The Woldingham Neighbourhood Watch had success in a national NHW competition and won an award. This is a first for any Tandridge Neighbourhood Watch so watch (excuse the pun!) this space for further details!

Last month also saw me helping to judge de Stafford School's Talent Competition and I want to say what a memorable evening I had. The young people who got up on stage were just amazing and a credit to themselves and everyone involved with them. I and

my fellow judges had a difficult decision to choose the eventual winner. Well done to all competitors and a huge 'thank you' for letting me be involved.

Looking forward, Surry Police is to undergo a restructure so what does this mean to you? In summary it is about creating up to 200 police constable posts to tackle antisocial behaviour, increase capacity within neighbourhoods and reduce serious criminality. Importantly, these bold changes aim to ensure that Surrey Police is a financially sustainable Force. The proposals were agreed in principle at a Police Authority meeting on 10th December. There will now be more detailed planning and then implementation during 2010/2011. I will of course keep you informed throughout the process.

A Happy New Year to you all!

### 'Churches Together' host Christmas Day lunch

On Christmas Day 52 guests and 26 volunteer helpers came together at the Brunton Centre in Caterham-on-the-Hill for a traditional Christmas Day lunch. A further 20 volunteer drivers transported many of the guests, who would otherwise have been alone on Christmas Day. When everyone had arrived, carol singing was led by 'Free Spirit' and David Flynn

from the United Reformed Church said prayers and Grace before the lunch. The delicious meal was prepared by Sylvia Carr and her partner Brian, ably assisted by Joan Winer and Kris and Teresa Daniels. The entertainment continued after lunch with festive bingo and a singalong led by Paul Hancock. Organiser, Miriam Hancock, said: "I would like to say a big thank you to the churches for funding the event and to the many supporters who helped on the day."

Santa, pictured above with Vi Mattock, distributed gifts to all the guests before they were taken home at 4pm.

### Rose & Young - developers invited to come forward

On Tuesday 8th December, local representatives met with officers from Tandridge District Council to discuss the derelict Rose & Young site in Caterham. The Council's Core Strategy, from October 2008 states: "The Council will actively pursue the development of the former Rose & Young site ..."

The Caterham Community Partnership (ex 'ABC') also has Caterham's worst 'eyesore' firmly on its agenda and has started a Rose & Young action group to explore options available. The group consists of local businessmen, individuals with professional expertise and the editor of The Caterham & District Independent.

During the meeting with Tandridge District Council, Bob Evans, the Head of Planning, said that given their Core Strategy, the Council's priority would be to encourage re-development in any way that

### Council staff give up pay rise

Staff at Tandridge District Council have offered to give up their pay rise for 2010 to help the Council achieve savings while protecting the quality of services to residents and businesses.

An original two year pay deal was negotiated before the recession started, when the cost of living was running at 5% and predicted to rise further. Staff were due to be awarded 2.8% from next April 2010, but agreed in December to forego their entitlement.

Tandridge District Council, along with most other councils in the country, is facing severe financial problems as a result of falls in income, particularly from planning applications and

land charges, lower interest rates, reduced grants and an increase in service demands. To help make savings, the Council already has a recruitment freeze in place.

Stephen Weigel, Chief Executive of Tandridge District Council who is responsible for staffing matters said: "I am both pleased and grateful to my work colleagues for recognising the very difficult financial climate the Council faces and agreeing not to take a previously negotiated pay rise next year. There are tough times ahead and we all need to work together to make sure we can balance our books and still provide good services to residents and businesses."

contributes overall to this part of Caterham. No specific preconditions on schemes would be likely to be an obstacle.

Mr Evans would welcome informal discussion with any groups with potential schemes (01883 722000). The new Rose & Young action

group are also keen to hear from prospective developers, or those with relevant experience and invite contact with Julia Church at The Caterham & District Independent on 01883 346641 or Chris Windridge, Chair, Caterham Community Partnership on 07850 757037.

## Caterham

by Norman W.T. Skinner

*With one part up and one part down,  
That is the shape of Caterham Town,  
Where e'er they went,  
Jack and his Jill,  
They found they had to climb a hill.*

*Both man and beast would heave and strain,  
To pull a load up Waller Lane,  
The summit reached,  
they'd made the grade,  
They sprawled beneath the cedar's shade.*

*Then in Queen Victoria's reign,  
Into the Valley came the train,  
But for a time folks still relied,  
On horse and cab to complete their ride.*

The cedar tree in the High Street, Caterham.

*Then came the petrol motor car,  
The roads were smoothed and covered with tar,  
All was changed, or seemed to be,  
Except for Caterham's cedar tree.*

*So, in your busy lives today,  
Mark my words,  
hear what I say,  
Bad luck will follow he or she,  
Who harms the Caterham cedar tree!*

## Education

### Supporting Great Ormond Street

From left to right: Rebecca Geeson (Year 10), Alex Limpenny (Year 8), Louise Fern, Great Ormond Street Hospital, Alison Woodhouse, Warlingham School Headteacher, Ron Mugga, Warlingham School's International Schools Co-ordinator and Ella Fadden (Year 10).

On Monday, 7th December, Louise Fern from Great Ormond Street Hospital visited Warlingham School to talk

to the students about the charity and accept a cheque for £1,439.11 raised during the school's first ever Inter-

national Diversity Week in October.

Louise said: "It was a real pleasure to attend Warlingham School, not least to receive the cheque of over £1,400 but to meet and thank the school personally. Great Ormond Street relies heavily on public support and it is incredibly encouraging when a school goes to such great lengths to raise an incredible amount of money.

"Enormous thanks go to all the pupils for their fundraising efforts but also a big thank you to all the staff for helping to make it all happen."

Headteacher, Alison Woodhouse said: "International Diversity Week was a great success. Combined with the fundraising efforts of the students to support the Great Ormond Street Hospital, the event really supported our aim to widen the students' horizons and raise their aspirations."

## Local students urged to help end Polio

Caterham and Warlingham pupils and students are being urged to help the children of the world by raising funds to eradicate the crippling killer disease Polio.

Members of the Rotary Clubs of Caterham and Caterham Harestone are joining forces with over 55,000 other Rotarians across Great Britain and Ireland in a co-ordinated effort to finally win the battle with this most debilitating and often terminal disease. The Caterham Rotarians are aiming to help reach the £1m target by encouraging the schools to support the world-wide initiative to stamp out Polio for good.

Hundreds of Rotary Clubs across Great Britain and Ireland are linking up with schools, colleges, businesses, organisations and individuals to hold a range of fundraising events to raise the £1 million target by Tuesday, 23rd February

2010 ('Thanks for Life' day and Rotary's 105th birthday). Jim Burton and Ian Harris, Presidents of The Rotary Clubs of Caterham and Caterham Harestone said: "This is a wonderful opportunity for our children to learn about issues facing children in other parts of the world and to help those that are less fortunate than themselves.

"Rotary has been involved in this fight for 25 years and the world is so close to being free from Polio for good thanks to the joint hard work of organisations and governments. How fantastic for a child to join the fight and be able to say, 'I helped to wipe out a disease for only the second time in history, after Smallpox. I stopped children from dying - I help change the world.'"

# Share and share alike!

CATERHAM BARRACKS COMMUNITY TRUST

## Buy a £50 share to help save The ARC

Would you like to support an exciting local project in 2010? The Caterham Barracks Community Trust (CBCT) is offering an affordable chance for anyone to become a shareholder in a scheme that will benefit the whole community for years to come.

The Trust's unique Community Share Issue gives individuals the opportunity to help reopen the ARC creative arts and play centre in Caterham-on-the-Hill and keep it running for future generations. For just £50, individuals can play an important part in this process and have a say in how the centre is run.

Dick Moran, Chief Executive of the CBCT says: "Like any share scheme, there is a risk that, at worst, investors might not get their money back. The difference here is that if we all come together and each put in a bit, we could get back a wonderful facility that we can all enjoy for decades - that's surely a better bet than putting your money into a bank, especially these days!"

The massive dragon's head is carefully raised up into the roof space.

More than £5,000 worth of shares have been sold so far and the centre is already showing signs of life. A successful comedy night took place at the ARC on Saturday 19th December despite the snow, and two impressive artistic installations - a giant illuminated, fire-breathing dragon and, fittingly, a phoenix, are now in place.

### Management team ready to go!

The ARC founder members have recruited a team of people

willing and able to run the centre. The team is an arts team with experience of leisure facilities and event management which has asked to run the whole facility - not just the soft play - under the direction of Beth Wood, an established professional practitioner.

"The more people that get involved with this now, either as volunteers or as shareholders, the more likely it is that we can get up and running fully," says Dick. "The bottom line is that if we don't get enough investors and offers of help, the ARC could be lost by the community forever."

### ARC OPEN DAY

An Open Day at the ARC is planned for Saturday February 13th. Everyone is invited to come along and see displays and workshops in visual and performance art for all ages. The event will demonstrate the worth of the Share Offer and give a real indication of the vision and plans for the ARC. Further details and the day's programme will be featured in the February edition of The Caterham & District Independent and at www.caterham-independent.co.uk.

### ARE YOU LOOKING FOR SERVICED OFFICES?

Come and see the Officers' Mess at Caterham Barracks for the best value in the area or call us on 01883 333000 for more information

### Can you be a volunteer?

Key volunteers are being sought to help in the following areas. If you would like to offer your services, please call Sarah Parker on 01883 333048.

- Anyone who has experience of furniture restoration or experience of using an industrial sewing machine
- Play design • Cleaning (play equipment)
- Scaffolding • Painting and decorating

For more information ....

To view the Prospectus and Business Plan please contact Dick Moran on 01883 333037 or Sarah Parker on 01883 333048. Dick Moran can also be contacted on 07951 482436

Volunteering is possible through the Facebook group 'The ARC Community Project' and some of the documentation can be found on www.thearcdevelopmentproject.org.uk or www.caterhambarracks.org.uk

This dramatic phoenix and the dragon were both created by professional artist, Ellie Noble.

### 'Little Treasures' Nativity Play

The residents of Boundary Point in The Village, Caterham-on-the-Hill, enjoyed a Christmas treat last month when they attended the Little Treasures nativity play on Wednesday 16th December. The audience of over-60's who live opposite the nursery attended the morning performance and the tots put on another show in the afternoon for their proud parents. Pictured are two of the kings, Sean Tolsen and Alex Arnold.

# St. Catherine's Santa Run

Local people enjoyed some festive fun by taking part in a Santa Run in Caterham last month.

Nearly 100 men, women and children dressed up in Santa suits before completing up to three laps around Queens Park on Sunday 13th December to raise funds for St Catherine's Hospice. At the end of the run, all of the participants were given a well-deserved medal and treated to drinks

and mince pies.

It is hoped that the event will raise around £3,000 for the local charity which provides specialised end of life care for patients and their families, friends and carers in Crawley, Horsham, Mid Sussex and East Surrey. St Catherine's Community Fundraiser, Victoria Lawrence, said: "Following our expansion of services in the Tandridge area, we've introduced this event in Caterham for the first time and we've been delighted by the response. We'd like to say a massive thank you to everyone who braved the

Two scout 'Santas' rest by the drinking fountain after the run

cold weather to take part, or who came along to cheer on the participants. The event was great fun and the support we've received is much appreciated by everyone at St Catherine's.

"We'd also like to thank all of the event marshals and other volunteers, Tandridge District Council, Surrey County Council, St John Ambulance, and everyone else who helped us to run this event."

## Celebrate at Casa Lola!

Review by Julia Church

With its great food, friendly waiters and lively atmosphere, Casa Lola Spanish restaurant in Croydon Road, Caterham Valley, is one of the top spots in the area for a special celebration. Sharing tapas dishes is a sociable way to enjoy a range of Spanish fish, meat and vegetable specialities, washed down with one of their excellent regional wines.

In addition to the tapas menu, there is a choice of main courses, so my partner Keith and I decided to go for the best of both worlds and chose tapas dishes to start, with a main course to follow. The fish is particularly good at Casa Lola, so we ordered the Pinchos de Pescado (fish kebabs) and Patas de Cangrejo (crablets) for starters. The kebabs alone made a very substantial starter, coming with a generous portion of rice and covered in a creamy sauce. The crablets with their crispy coating were nice and light and juicy and were especially tasty dipped in tartare sauce!

Keith and I both had the Sirloin Rioja, Mushrooms and Cream, one of the main courses on the blackboard, to follow. Other choices

Sharing tapas dishes at Casa Lola

available included Butterfly Breaded Prawns, Fresh Cod Piri Piri and Chicken Milanese with Spaghetti.

The steaks came beautifully presented with potatoes and mixed vegetables and were not only delicious with the mushroom sauce, but also very filling! We thoroughly enjoyed our meal, and as usual, I had no room left for dessert, although I was very tempted when I saw the amazing puddings being served at the next table. We, however, went straight to coffee.

To accompany our meal we had a bottle of 'fresh and aromatic' Vina Sol rosé, a very pleasant wine recommended by our waiter.

## The Village Inn raises £1,600 for cancer charity

A children's cancer charity has received a boost to its funds following a fundraising event at The Village Inn in Caterham-on-the-Hill. Owner of The Village Inn, Steve Kirk, hosted the event on 28th November in support of the Thomas Ball Children's Cancer Fund which has helped six year-old Megan Hierons, sister of Becky Hierons who works at The Village Inn. £1,600 was raised through the proceeds of a raffle and a percentage of the bar takings on the night.

Megan suffers from Neuroblastoma which has resulted in her being paralysed from the waist down, and needing regular spinal surgery. The Thomas Ball charity pays for Megan and her family to go on holiday twice a year to give them a break from all the treatments and hospital visits. Megan's sister, Becky, said: "On behalf of Megan and the rest of my family I would like to thank everyone who supported the event and Steve who generously hosted the evening."

The charity's recently purchased second holiday home, T.J.'s Lodge in New Milton, Hampshire.

## Readers' letters

### 'Thank you' from Caterham Guides

The 9th Caterham Guides would like to thank the staff and customers of Tesco Caterham for their donations at the bag packing day on Saturday 5th December. We raised a total of £772.46. All money raised will go towards the Guides' Centenary Camp in 2010. Thank you.

**Janette Ralph, Caterham Guide Leader.**

### Local Flooding

As I am sure we are all well aware there are a number of dwellings and retail premises which are prone to flooding, some on a fairly regular basis, others less often. Although sand bags can be purchased from Tandridge District Council, there is little, if any, further help they can offer and presumably Surrey County Council also? This may not have always been the case. Some of the terraced cottages in Roffes Lane, Chaldon, were regularly flooded before the 1960s when a

concrete sump was put down at the bottom of The Heath to take the floodwater. Why can something like this not be done at vulnerable sites such as Croydon Road and the roundabout in Caterham Valley shopping centre? Surely global warming will exacerbate this long-running problem?

**Norma Holmes, Caterham.**

### Snow Chaos

This is a praise and moan message. My husband and I walked to the top of Church Hill on the evening of Monday, 21st December to see if the traffic was moving on behalf of our daughter. The scene we met was absolute carnage. There were abandoned cars on both sides causing it to become a single lane road. Obviously there were cars trying to go both ways and not making it. If it hadn't been for the amazing help that four young lads gave to stuck motorists absolutely no traffic would have moved at all. These four young men single handedly kept the hill moving, with the aid of rubber car mats and sheer strength and throwing

health and safety to the four winds they managed to get cars up around the top corner. There is so much bad press about 'the youth of today' I just think these four youths need a huge thank you from absolutely everybody who was stuck in the massive tailback of traffic.

Now for the moan. Where were the gritting lorries? Where was the grit bin that used to be at the top of the hill and more importantly where were the police? Why was traffic management down to the general public? Also the sensible people that left their cars in the Valley and walked up were risking life and limb because the pavements were treacherous. It's all very well saying leave your cars at home but it's not just the roads that need clearing, especially on a very steep hill. This weather has been very accurately forecast, why have our road systems once again been crippled? In times of adverse weather conditions, everybody needs to do a bit extra. If it means overtime being paid to gritters then so be it; this doesn't happen every year.

**Jessica Turk, Caterham.**

"Thank you very much" to the residents and helpers who helped to free stuck motorists on Whyteleafe Hill on Monday, 21st December  
**Julia Church, Editor.**

### The Lions say 'Thank you'

On behalf of Caterham, Oxted and Godstone Lions Club, may I take this opportunity to thank the residents of Bletchingley, Caterham on the Hill, Godstone, Oxted and South Godstone for their generous support of our street collections over the Christmas period in 2009. This year we raised £3,208.41 which will be used to support our charitable activities in the Tandridge area and further afield for Lions projects. Most recently we have provided over fifty food parcels to those in need prior to Christmas and will be holding a lunch for some senior citizens in late January. If anyone wishes to find out more about the work of our Lions Club in this area, please visit our website [www.cogslions.co.uk](http://www.cogslions.co.uk) or phone Lion Peter Drysdale on 0845 833 7852.

# Surrey hospitals launch Premium Care

The new chief at Ramsay Health Care's Surrey hospitals, Phil Bates, has taken up his post covering the Ashtead and North Downs sites. Relocating from Lancashire where he has spent the last two years at Ramsay's Euxton Hall hospital and leading the development of a new Sterile Services centre for Ramsay's North West group Phil said: "I'm delighted to be moving to Surrey to enhance and develop the services we deliver to our patients at Ashtead and North Downs Hospitals. These are interesting times as we move to extend the services we offer to both our Premium and Essential Care patients." Ramsay Health Care has launched a unique service package for private patients. Premium Care is available to all patients using private medical insurance or funding their own treatment, and aims to set the standard for private healthcare. Phil explains the drive behind the product: "We believe that Premium Care will encourage patients who have private medical insurance to ask their doctor for a referral to Ashtead and North Downs Hospitals. Both have a strong reputation for clinical excellence,

North Downs Hospital, Caterham.

patient satisfaction and very low infection rates. The Premium Care package focuses on the areas that patients feel are the most important. These include early access, choice of consultant and appointment time, en-suite facilities (where clinically appropriate), as well as Premium Care accommodation, menus and free parking, TV and newspaper. Our aim is to make you feel like a guest as well as a patient in a relaxing environment." Phil who is married to Janet - with two teenage daughters - has been with the Ramsay Health Care group for over three years.

# Work on St. Lawrence's Hospital burial site begins

On Tuesday 8th December, over thirty volunteers took part in restoration work at the former burial site of St. Lawrence's Hospital in Chaldon. The project was made possible by various local organisations, as well as a grant from Tandridge District Council's Environmental Initiatives Scheme. The team was led by Kate Mayo of the Downlands Countryside Management Project, and pupils from de Stafford School, who have been maintaining the site and raising funds for a memorial seat and board at the grounds. Parish Councillor Julia Thomas commented: "The site was a hive of activity and people felt at the end of the day that we had made a big improvement and shown that the area and the patients buried there hadn't been forgotten." The site of St. Lawrence's Hospital is now occupied by Hambleton Park Housing Estate in Coulsdon Road,

Caterham-on-the-Hill. However, residents were becoming increasingly concerned with the neglected state of the burial ground, prompting action from Chaldon Parish Council. Thanks to their efforts, many of the inscriptions on the gravestones of the patients buried there between 1914 and 1965 are now visible and restoration work is set to continue into 2010. For volunteering opportunities, contact Julia Thomas on 01883 344070. More information about St. Lawrence's Hospital is available online at www.work-houses.org.uk (see Caterham Asylum under MAB Institutions). Caterham libraries also have copies of "St Lawrence's - The Story of a Hospital 1870-1994" (R.Malster) available for reference and loan, whilst East Surrey Museum has some early records from the Asylum available on request.

The gravestones now visible at the St. Lawrence's Hospital burial site.

## Get along to 'The Swing Joint'!

An exciting new dance venue opens its doors in Caterham this month following a successful launch event in December. The Swing Joint, at the Ex-Servicemen's Club in Townend, Caterham-on-the-Hill, will be hosting dance classes every Friday night for Beginners and Improvers in Swing jive, jitterbug and stroll led by local residents, Mark Tann and Julie Candy. December's event was a

great success, with members from Mark and Julie's classes in Biggin Hill and Sevenoaks demonstrating some skilful moves on the dance floor.

The combination of swing music from the 40's and 50's and the lively dance routines promises plenty of fun (and exercise!) in store at the new club. See the 'Swing Joint' advertisement above for further details. See you there!

## New patron for the Tandridge Community Fund

The Management Panel of the Tandridge Community Fund ('TCF') are delighted that local businessman, David Gold, has accepted their invitation to become a Patron of the Fund.

TCF was initiated by a small group of volunteers who formed a Management Panel. The trustees, bankers and investors are Surrey Community Foundation which runs some 25 schemes across the county. Most of these are relatively small in their geographic position, but TCF is a district-wide scheme - a fund in perpetuity where the capital is never touched but the interest earned will be used to help good causes in the Tandridge District area.

TCF Chairman, Mike Moss, said: "The fact that we have patronage from a prominent local businessman who is very supportive of the fund will help to bring it to the attention of the community. Thank you Mr Gold!"

## Orienteering - fitness for all the family

by Rod Harrington

There has been much debate recently about the health of the nation and child obesity levels, but the one thing that most people can agree on is that increasing participation in sport can only be a good thing. An issue many families will recognise though, is that with so many demands on their time it's difficult to fit everything in. Perhaps the answer is a sport that allows the entire family to participate together. One such sport is orienteering.

Whilst for some, orienteering provides a competitive sport requiring a very high level of athleticism, for many of its regular followers it provides a great opportunity for a stroll or run with a difference, whilst enjoying the outdoors with their family.

Local orienteering club DFOK will be hosting an orienteering event at Happy Valley on Saturday 16th January 2010. Three courses of varying length and difficulty will be available and the event is open

Eight year old Angus Harrington completes a course at a recent DFOK event

to all. No prior experiences is necessary, advice will be available for newcomers and timing equipment will be provided. Walking or running attire is recommended (long trousers or track suit bottoms should be worn).

Registration opens at 10.45am and the event starts from 11.00am to 12.30pm. The courses close at 2.00pm. Parking is at the end of Fox Lane off the B2030 Coulsdon Road. For more details see: <http://www.dfok.co.uk/>

## Caterham Old Boys FC

by Gerald Mills

2009 was a very successful first half of the season for the Old Boys. Both 1st and reserves remain unbeaten in both league and cups.

The rain and snow caused some of our games to be cancelled and now we are playing catch-up with the top sides who have played more games than us in both divisions!

Earlier this season, the first team fought out a scrappy draw (3-3) at table-topping Weston, played on a pitch that much resembled a field used by herds of cows!

Not pretty to watch but we still managed to nick a draw. We also progressed in the County cup, beating Merstham Newton 2-1 in a close fought encounter at White Knobs. Taking a 2-0 lead in to the second half through some neat play from Jack Cronk, Ross Edwards and Ryan Mumery, Merstham pulled a goal back from a deflected free-kick which the keeper never stood a chance against. Had

Ben Cocker not missed a 'sitter' after some excellent work the game would have been safe a lot sooner. The Old boys are now fourth in the league but have played four games fewer and are only five points behind!

The reserves are still flying high and are second in the league by the fact they have played fewer games; they are three games in hand and only four points from the top! We brushed aside RH 123 5-0 away from home, with a fine all round team performance. We have

played seven and won seven scoring a credible 34 goals and conceding a miserly three. With good goalkeeping, a solid defence and nearly five goals a game from the midfield and strikers, spectators are always in for some 'lively' games. Well done to all the players for such fine performances. Long may it continue.

We wish all players, fans and everyone in Caterham a very Happy New Year and look forward to 2010 with much anticipation.

## Whyteleafe FC

by Andy Runacres

The past month has been a difficult one for Whyteleafe. First up was the loss of club captain Paul Scott who has signed for divisional rivals Dulwich Hamlet. 'Scotty' was a great fans favourite at the Leafe and was in something like his sixth spell with the club, but work commitments meant that a move to Dulwich was a preferred option for him, and he leaves with our best wishes. This left us with a bit of a shortage of strikers, but thankfully Darren Watson who had been performing so well in early season has returned to fill the void.

On the pitch the results have been mainly disappointing, with late goals costing us dear. The most

dramatic example of this was in the match against Dulwich, when with the score at 1-1 heading into the last minute of the game, most people expected the point. However things went crazy and Dulwich scored three goals in five minutes to run out 4-1 winners! Leafe were also a goal to the good going into the last ten minutes at Fleet, before conceding twice to lose 2-1 in what was a very scrappy encounter.

In the Surrey Senior Cup we continued this form and conceded in the 93rd minute to lose 3-2 away to Walton and Hersham, who we had drawn with just a week earlier in the league. One bright moment was a 2-1 win away to Corinthian Casuals. Whyteleafe had led for most of the game, but the Casuals equalized with

Match action against Fleet

eight minutes to go and there was a dreaded sense of déjà vu. Mercifully, Fleming grabbed a winner in the last minute to take the points for Whyteleafe. With a number of players returning from injury we hope that January will deliver some better fortune. Happy New Year!

## Who wants to be a volunteer?

by Marion Piggott

Forget the A-Team! Let's hear it for Caterham's V-Team! Team membership is for busy people who want to volunteer but can't commit on a regular basis. It's also for existing volunteers who feel there are times when they'd like to give a bit more.

How does it work? Charitable organisations and community projects needing help for special events contact the Volunteer Centre. They tell us the dates, times and type of help they need - marshalling duties, manning stalls, assembling stands, directing cars, leafleting etc. They also provide the Volunteer Centre with contact details for the person coordinating offers of help.

The Volunteer Centre will email all V-Team members to ask if they are available to help for any part of the event. Members are only expected to let us know if they are free to help and if so their names and contact

details are forwarded to the event coordinator. Just a few extra volunteers can make a huge difference to the success of an event.

The V-Team is for busy people who are willing to be contacted by email when help is needed. After all, don't they say: "If you want something done - ask a busy person"?

Want to know more? Please ring me, Marion Piggott, at the Volunteer Centre, 01883 344444, email: caterhamvc@owen29.wanadoo.co.uk, or visit our website: www.surrey-community.info/tvsc/ Alternatively, come along to Warlingham Library. Our next outreach session is Friday 8th January, 10.30-11.30 am.

In the meantime, a Happy New Year to you all!

## Old Cats mini makes England squad

by Old Cats Chairman, Steve Dalglish

Old Caterhamians RFC announced at their lunch on the 5th December that Kay Wilson who played her mini rugby days at the Old Cats had been successfully selected for the England Under 20 squad. Kay, in the Cats U9 squad, moved to Dorking and County rugby before being given national honours and she now plays her senior rugby at Richmond RFC. The club sends their congratulations and, at the age of 18, she has a great playing career ahead of her.

The Old Cats fundraising lunch went ahead despite the league game with Old Blues having to be cancelled

Kay Wilson, top left, with the Old Cats Minis.

due to water-logged pitches. The beneficiary of this particular lunch was the Cumbria flood victims' fund. A cheque for £200 has been sent to the fund with the club's support.

The club continues to grow with new boys and girls joining the mini and youth

sections on a regular basis, as well as new players joining the senior men's and ladies sides.

Old Cats rugby club would like to thank The Caterham and District Independent paper for its continued support and wishes all its readers a Happy New Year.

## Success for Laura in Lions Music Competition

Caterham, Oxted and Godstone Lions Club (COG's) were absolutely thrilled when Classical Guitarist, Laura Snowden, agreed to be their candidate for the Lions European Music Competition and on Sunday, 3rd January Laura won the South East final held at Kent College in Canterbury.

Laura now goes forward to the national final to be held in the Conservatoire in Birmingham on Sunday the 18th of April. Her prize for this stage of the competition was a £100 cheque. Her next engagement with the Lions is to play before South East District's Convention, this year to be held at the Hilton Hotel in Croydon, on Saturday 6th February. The wider Lions

Classical guitarist, Laura Snowden

community is certainly in for a treat.

Should Laura be successful in Birmingham, the next step will be Bologna in Italy for the European final in October and possibly the international final in Seattle in 2011! All at COG's wish her the very best of luck for the next stage. Meanwhile for Laura it is back to studying at the Royal College of Music in London.
