## Dene Hospital League of Friends calls it a day for annual Summer Fête

After 45 years, one of Caterham's longest established fundraising events will no longer be on the summer calendar.

At the recent AGM of the League of Friends of Caterham Dene Hospital, members decided they could not continue to hold the event without younger helpers to provide the necessary manpower to support the Fundraising Committee.

In their Autumn Newsletter,

Chairman, Jean Baker said: "Over the past few years we have appealed for extra manpower to help us set up and take down the Fête. Unfortunately we cannot get the help we need so I am saddened to report that the Committee has decided that the Summer Fête in 2012 will not be held. The sheer effort is too much for our small group of ageing Committee members and we feel now is the time to call it a day."

The event has also been affected by the recession, with people having less disposable income to spend at fundraisers like the Dene Fête. This summer's Fête raised £3,400 compared with over £4,000 two years ago.

The Fête has long been part of the fabric of Caterham and over the years its supporters have helped the League of Friends purchase valuable equipment for the Caterham Dene Hospital. Its members are now looking at alternative ways of raising funds.

## The end of the League of Friends Summer Fête

(continued from page 1)

To try and replace the revenue from the Fête, members will hold more smaller events such as coffee mornings, golf days and garden parties. Following the announcement at the AGM, Roger Wright, Hon Treasurer of the League of Friends, said: "We are very concerned that our numbers are dwindling as members grow older and we may not be able to continue to provide the same level of

support for the Caterham Dene Hospital. It is essential that new, younger volunteers come forward so we can pass the baton on to the next generation. Many cottage hospitals across the country have been closed so we are very fortunate to have this small local hospital on our doorstep."

Over the years the League of Friends have donated more than £300,000 to the Caterham Dene to ensure the hospital has the best up-to-date equipment possible.

Annual Membership of the League of Friends costs £5. For further information call Roger Wright on 01883 382350 or e-mail him at roger.wright43@ntlworld.com

## The Warlingham Christmas Lights go low energy ready for switch-on

The Warlingham Christmas Lights Committee is preparing a more eco-friendly display for Warlingham Green this year, ready for the switching-on ceremony on Saturday, 26th November. There will be extra lights on at least one featured tree on The Green and energy saving light bulbs will be used for all the lights.

The festivities on the 26th will begin at 4pm, building up to the children of local pri-

mary schools setting out on the traditional lantern parade around the centre of the village, led by the Warlingham Flute Band. The lights themselves will be switched on at 5pm, followed by carols from a combined children's choir. There will be a Christmas market in the Village Hall and stalls in the Church Hall from 4pm, and from 5.15pm Santa will be in his grotto in the Church Hall. Throughout the event there will be chil-

dren's rides and lots to eat and drink.

Many of the businesses around The Green will remain open late or be staging special events.

Volunteers will be raising money with collections, raffles and the sale of the new Warlingham Christmas Lights 2011 badges.

A very special raffle will be held on the afternoon before the switch on, with the winner winning the right to switch on the lights.

The organisers still need as many volunteers as they can get to be stewards, collectors and general helpers on the night, so if you would like to get involved, call Wendy on 01883 623025.

The lights are supported entirely by donations, fund raising, contributions from local businesses and a grant from the Parish Council.

Anyone with an interest in the lights is invited to the feedback meeting at 8pm on Thursday, 8th December at the Scout Hut, Mint Walk, Warlingham.

For more information go to [www.warlinghamlights.org.uk](http://www.warlinghamlights.org.uk)

## COG's promote World Sight Awareness Week

On Saturday 15th October, East Surrey MP Sam Gyimah, Chairman of Tandridge District Council, Brian Perkins, County Councillor Sally Marks and Godstone District Councillor Nick Childs all entered into the spirit of World Sight Awareness Week by letting members of Caterham Oxted and Godstone Lions Club (COG's) lead them around Knights Garden Centre at Nags Hall. Lion volunteers were briefed on how to guide a visually impaired person by Diana Drysdale, a member of SAVI, Surrey Association for Visual Impairment, before their guests arrived. Nick Childs braved the checkout area and successfully managed to purchase some biscuits, check his change and get safely back to the Lions base. Throughout the morning members of the public were invited to be blindfolded and guided round or to try on glasses that simulated various eye-sight disorders. Children also joined in by having a

try at some feely bags. The purpose of the morning was not only to mark Lions World Sight Day but also draw attention to the work done by local Lions to help those who are visually impaired. All agreed it had been a worthwhile and interesting time and that a lot had been learnt about the difficulties experienced by the visually impaired. COG's would like to thank all those who came along and especially to Knights Garden Centre for allowing COG's the use of their premises.

## Chaldon residents tackle speeding problem in Rook Lane

A group of Chaldon residents has formed a Community Speed Watch team to monitor speeding traffic in Rook Lane. Equipped with radar speed guns the volunteers take the registration details of speeding vehicles to pass on to the police. The Chief Constable of Surrey writes an admonitory letter to the vehicle's owner and a note is put on the record so if the same vehicle is caught by the police the history will be taken into account. To find out more about establishing a Community Speed Watch scheme in your area contact your local Casualty Reduction Officer on 0845 125 2222.

## Oxted Rotary Pram Race gives a boost to the Tandridge Community Fund

On Thursday 6th October, the Tandridge Community Fund was one of the 12 local organisations to be presented with a cheque from the proceeds of this year's Oxted Rotary Pram Race. The race, held on Friday 8th July raised a staggering £9,500 in donations. The generosity of the many sponsors kept the running costs down to maximise the sum available to hand out. The cheque presentations took place at the Crown Inn in Old Oxted, one of the local pubs that supported the event. The other

organisations to receive a donation were The Woodhouse Centre, Panda Pre-School, Master Park, The Link Porter Trust, Oxted Chamber of Commerce, Rotary Kids-Out, St. John Ambulance, Oxted Football Club, Holland Sports AC, Matthew's Friends and Limsfield CoFE School. To view the results, photos of the event and the list of sponsors go to [www.oxtedpramrace.co.uk](http://www.oxtedpramrace.co.uk) For more information about Tandridge Community Fund call Chairman Mike Moss on 01883 713322 (e-mail: [mikemoss22@hotmail.com](mailto:mikemoss22@hotmail.com))

## Calling local youngsters!

Are you bored and fed up with hanging around with not very much to do? If the answer is "Yes", and you are aged between 12-17 years old, come along to 'The Voice' (Youth Focus Group) and tell us what you want. Surrey Police has been working in partnership with staff at The Arc and Caterham Barracks Community Trust (CBCT), and together are here to listen to your ideas or concerns with a view to setting up and maintaining a regular youth committee. This is your opportunity to

have an input, get involved in local activities, meet new friends or learn a new talent. The first meeting will take place on Friday, 11th November, between 7.30pm and 9pm at The Arc, Weston Drive, Caterham (parents are also welcome). In addition to 'The Voice', why not see what the local youth club has to offer? The youth club is run by volunteer group, CR3 Soldiers and is held at the Cricket Pavilion, on Guards Avenue, every Thursday from 7pm for anyone aged between 11-18 years old. For more information on the youth club or if you would like to volunteer to help out, contact Sarah Wilson on 07903 608164.

## International School Award success for Whyteleafe School

Whyteleafe School has been awarded the British Council's prestigious International School Award for schools that do outstanding work in international education. Fostering an international dimension in the curriculum is at the heart of the British Council's work with schools, so that young people gain the cultural understanding and skills they need to live and work as global citizens. Whyteleafe School's international work includes curriculum linked international work; a very positive foreign language Ofsted inspection; a Day of World Languages; international

Eco awareness; French and German clubs plus an International Harvest Festival, a visit to the Christmas Market and a charity Enterprise Week. The school is proud of its link with Kimilili Primary School in Kenya. Pupils have been exchanging letters and children brought in items of stationery to donate to the schools.

Geraint Jenkins, MBE said: "I have witnessed first hand the interest and enthusiasm of your staff and pupils towards other cultures throughout the world and the achievements they have attained are extremely commendable."

"The children of Kimilili Primary Schools in Kenya have benefitted enormously by having a link with Whyteleafe School. Their excitement at receiving letters and writing back to the children has to be seen to be believed. They develop educationally and socially from having this link and are learning the importance of tolerance and understanding in our multicultural society."

## Diary of a Plantaholic

by Sue Baines

Summer returned gloriously, but briefly, now it's catch up time. Last year having lost all dahlia tubers stored in the shed, I fell for every value advert, now I have rather a lot! Some have only just started to flower, so there were some interesting combinations, not all to my liking. To remedy this I have taken a bloom, held it against established beds, to see where it would look best, (you can do this with other perennials), before actually moving them. Autumn, when the soil is still warm, is a good time to move plants.

Now we have had some frost, the dahlias have been cut down, dug out and dry soil removed, sulphur puffed over the tubers, and dry newspaper wrapped around them. A label stating colour, height and next year's position, is tied around the 4 inch (approx.) stem and placed upside

down. To save space, I have bought six shoe hangers - each has six compartments - and hang them from the garage roof. They are nice and airy and will fold down to nothing next year. Hopefully they will work.

The tubers that did overwinter were the ones left in the ground. They had a nice duvet over them! A good layer of well rotted compost and on top of that an unopened bag of horse manure, turned occasionally to remove any hibernating slugs and snails.

The 'big sweep' is in progress, in conjunction with emptying the compost bins and leaf boxes, - beware sweeping up the ash keys or a forest of ash results the following spring. Life's too short!

# Eating Out

## Casa Lola - perfect for the party season!

Review by Julia Church

With the Christmas party season just around the corner, now is the time to plan your office party and one of the most popular local nightspots is Spanish restaurant, Casa Lola in Croydon Road, Caterham Valley.

The spacious restaurant is perfect for large groups but on my recent visit there, it was clearly also popular with couples. My friend Jill and I went on a Saturday night when it was buzzing with diners all enjoying a great night out. On arrival we were promptly shown to our table and, with our drinks order taken, we happily perused the numerous dishes on offer, both in the menu and on the Specials board.

We both decided to have the Espinacas con Nata (spinach with garlic, chilli, cheese and cream) as our tapas starter, followed by Patas de Cangrejo (crablets), Pollo al Ajillo (bone-in chicken in garlic and white wine), Chorizo Riojana (hot Spanish sausage fried in Rioja wine) and Patata Brava (deep fried potatoes in tomato, garlic and chilli sauce) to share for our main course. The spinach starter was described by Jill as 'lovely!' with small pieces of chille giving a subtle kick to a beautifully creamy dish.

The selection of tapas that followed was declared by Jill (after a glass of white wine) to

be a 'symphony of flavours!' and I had to agree. The delicate flavour of the crablets, the spicy chorizo and the garlic chicken accompanied by the Patata Brava and a bottle of Pinot Grigot made for a very tasty combination that we worked our way through in true relaxed, Spanish fashion. The cheerful ambience in the restaurant and the Spanish background music along with a great meal made for a very enjoyable evening.

Their Special Christmas menu at just £14.50 for three courses and a coffee is fantastic value, so book your Christmas party early!

## Welsh Male Voice Choir performs to packed house at de Stafford School

On Saturday, 8th October the y Gyrlais Welsh Male Voice Choir from the Swansea Valley travelled all the way to Caterham to perform at de Stafford School. The concert was organised by the Caterham-based charity C.H.E.C.K. (Community Health and Education for Children of Kimilili). The choir, that originally formed in 1963, has the proud record of having won all the recognised 'Semi-Nationals' on more than one occasion, as well as the coveted Royal National Eisteddfod in Cardiff. The choir's repertoire included an African Trilogy of songs, Welsh hymns and various light pop and opera songs. The concert also featured superb music by de

Stafford students Connor Cooper, on the piano and Erika and Lydia Gatward playing the clarinet and flute. Their highly talented and moving performances added variety to the programme of music and was greatly enjoyed by the audience. The concert ended with the choir singing the Welsh National Anthem, 'Hen Wlad Fy Nhadau' (Land of My Fathers). The concert raised £1,864 for C.H.E.C.K. through ticket sales and a raffle. The choir comes from the same area in Wales where the recent mining tragedy occurred and a leaving collection was made for the Swansea Miners Families raising £317.

## Get along to Meet Caterham Business 2011

The business to business exhibition 'Meet Caterham Business' is taking place on Friday 25th November from 10am to 6pm at the Soper Hall, Harestone Valley Road, Caterham CR3 6HY.

The exhibition helps local businesses network with each other and market their services. There will be up to 50 businesses promoting their services, including many exhibitors from previous years' exhibitions.

The exhibition is being supported by Tandridge District Council, A Better Caterham - Shop Smart Shop Local and Surrey Chambers of Commerce. It has been organised by local businessmen Graham Tapley and his wife, Helen, of CR6 Publishing Ltd, Glen O'Dwyer of Computer Solutions and Clive Wilson of Paramount Web Design, to help local businesses promote their services to each other. It is also open to the public to make residents

more aware of their local businesses.

Councillor Martin Fisher, Chairman of the Resources Committee, said: "We hope the day is a great success and generates business sales, as well as raises awareness of the diversity and quality of services in the area."

Graham Tapley said: "As in previous years this is an excellent opportunity for businesses to market themselves to each other and the public. Previous exhibitions have been very successful, with extremely positive feedback and I expect this year's to build on that and create a valuable networking opportunity. We anticipate a far greater visitor footfall this year, due to the central location of the venue at the Soper Hall, combined with the ease of parking."

For more details call Graham Tapley on 07768 294200, or 01883 347284. or visit [www.meetcaterhambusiness.co.uk](http://www.meetcaterhambusiness.co.uk).

## Caterham Round Table Firework Night 2011

Caterham and District Round Table are holding this year's Firework Display on Saturday 5th November. Gates open to the Dene Field in Church Road, Caterham-on-the-Hill at 6.00pm with the bonfire lighting at around 7.15pm. The fireworks start once the bonfire has died down.

One of the most amazing events to take place during the evening is the torchlight procession. This has been a part of the Caterham fireworks for the last 14 years and is hugely popular, especially with children. Round Table members will be selling torches outside the library on Westway Common at 6pm ready for the procession. The last torch will be sold and lit at 6.25pm. The procession to the Dene Field will be leaving Westway Common at 6.30pm sharp.

Regular priced tickets can be purchased on the night,

or alternatively discounted tickets costing £4 can be purchased in advance up to the 5th November from local shops including Butlers and Computer Solutions on the High Street, Caterham-on-the-Hill and JJ Browne & Son Jewellers in Godstone Road, Caterham Valley. ### St. Lawrence's Hospital Burial Ground

While staying with my mother in Caterham recently, I was delighted to read the article about the restoration of the St. Lawrence's Hospital burial ground in Chaldon.

It was quite a coincidence because I had just written an account of my early teenage years in Caterham for my Writers' Group in Switzerland where I now live. This memoir included descriptions of several visits to the burial ground that two friends and I had first discovered whilst biking around the fields behind St. Lawrence's.

It looked neglected and overgrown even then, over 50 years ago. I remember pushing open the rusty iron gate into this secret place. The little chapel there had ledges or shelves inside which were, we decided, to hold the coffins. Next to it were a couple of full-length graves.

Once, after having a midnight feast in Queen's Park, we three girls dared ourselves to venture there, and,

on arrival, we used our torches to peer into the gap which had formed between the gravestone and the earth beneath.

So, after reading the newspaper article, I set off with a friend. And, with the help of a kind gentleman called Paul, we found the site, which we now saw was next to a golf course.

What a change - I hardly recognised it! We couldn't see the chapel, or the graves as we remembered them, but noticed two stone angels marking children's resting places, and there were also

some other small headstones.

I was comforted to know that the souls resting under the earth were not forgotten, because they at last had been acknowledged and lay in a worthy and dignified garden of rest.

If any reader remembers the burial site as it was in former times, and would like to share their memories with me, I can be contacted at: [kate.mu@gmx.net](mailto:kate.mu@gmx.net)

### Find your 'Optimum Training Zone'

by Steve Robertson,  
Master Personal Trainer  
X-T.R.E.M.E. Training

Steve Robertson

I get asked many times by clients in my X-T.R.E.M.E. classes: "What is my maximum Heart Rate"? (MHR). To work your heart and lungs most efficiently and to burn fat you need to aim to work between 65 and 85 per cent of your MHR - this is known as your 'optimum training zone'. To calculate your MHR let's assume that your MHR when you are born is 220, reducing by one for every year of your life, so basically 220 minus your age.

Let's take an age of 35 years, your MHR is 185 beats per minute (BPM), 65% of 185 is 120, and 85% of 185 is 157.

When you train aim to keep your heart rate above 120 bpm but below 157 bpm. If you train above your optimum training zone you start to work anaerobically and your body can't keep up with the demand for oxygen; you won't be able to

sustain a workout at such high intensity and you will quickly become exhausted. The best way to monitor your heart rate is by using a heart rate monitor, or by taking your pulse manually. As you learn more about how your body responds to exertion, you will find you can recognise what heart rate you are working at by how you are feeling.

So now you all know how to calculate your MHR I shall see you all in my X-T.R.E.M.E. training classes to really push your heart rate to new heights!

## Whyteleafe FC

by Andy Runacres

October usually sees pitches soften and hats and scarves out of storage but this October has been more like August with sun-drenched terraces and dry, dusty pitches. October also traditionally sees the start of the FA Trophy, (the non league FA Cup) and it was the Trophy game that provided the highlight of an otherwise disappointing month.

Things got underway with three straight league defeats albeit two of them at home to league favourites Bognor Regis Town (0-4) and Whitehawk (0-3). The third defeat was away to Ramsgate, a team that we always seem to struggle against at their ground, and so it was again, losing 1-2. So Leafe went into the FA Trophy game against North Greenford in need of a confidence boost. And a confidence boost is what it provided although the goalless first half gave no clues as to what drama would unfold. The second half ended

Scott Simpson playing in the FA Trophy game against North Greenford last month.

up being one of the most entertaining 45 mins most Church Road regulars could remember. North Greenford took the game to Leafe and opened up a 3-1 lead by the 76th minute and whilst most thought it was game over, the Leafe players didn't. Within five minutes it was level pegging at 3-3 with goals from Gnamore and Simpson. Then in the final minutes the ball struck a Greenford player's arm in the area and Simpson thumped home the penalty

to complete his hat trick, and Whyteleafe's remarkable comeback. A stunning 4-3 win!

The confidence gained from that was taken into the next league game when a bumper crowd watched a hard fought 1-1 draw with Maidstone. In truth the visitors dominated but failure to convert chances gifted Leafe the point.

November sees visits from Sittingbourne on the 12th and Chipstead on the 26th. For more information about Whyteleafe FC visit [www.theleafe.co.uk](http://www.theleafe.co.uk)

## Residents rally to raise funds for new Woldingham playground

Children from Woldingham and surrounding areas are looking forward to a more up-to-date, safe and exciting play area thanks to the fundraising efforts of Julie Cornish and Denise Todd with the support of the local community. Woldingham has a playground located on land owned by registered charity Craigmyle Glebe Ltd and a survey carried out in 2008 identified that there was a need to greatly improve the play equipment and surfaces. Since then, funding has been sought from a variety of sources and, by this summer, the village was in a position to replace three condemned pieces. Denise said: "The playground now boasts a wonderful climbing frame, a very popular pod swing and a roundabout. The adventure trail has also been extended and the seesaw renewed but our recent inspection has advised us that the slide will not survive another year! We al-

ready have local support in the form of private donations and small grants from local organisations, but we do still need to continue holding fundraising events." Their next fundraiser will be a Pre-Christmas Sale on Saturday 5th November from 2-4pm, to be held at St Paul's Church Room, Croft Road, Woldingham. For more information about the project visit [www.woldingham.com/clubs/playground.htm](http://www.woldingham.com/clubs/playground.htm) or call Denise on 01883 652022.
