Hillcroft celebrates launch of Darwin-themed garden

On Tuesday, 14th July a number of especially invited guests, including the great, great grandson of Charles Darwin, Randal Keynes, attended the official opening of Hillcroft Primary School's new Charles Darwin-inspired garden area. The famous scientist and author of 'The Origin of Species' lived not far from the school, at Down House in Kent, and used his own gardens as an extensive outdoor laboratory. Hillcroft School in Chaldon Road, Caterham, hopes to

inspire Darwin's wonder for natural history amongst its own staff and pupils with the new facility. The school has teamed up with The Hawthorns School in Bletchingley to secure over £4,000 in government funding to create the new facility for outdoor learning. The launch event was the culmination of a series of conservation days for parents and children of both schools. The project was the brainchild of head of science at Hillcroft,

Tom Holloway. During his presentation to the guests at the launch event he said: "Although Darwin is famed for going to places like the Galapagos Islands, he did a lot of his experimentation and discovery in his own back garden. We want the children of Hillcroft to look upon this garden in a similar light, as a place of both enjoyment and education. You don't need a shiny fancy laboratory – just a sense of curiosity. "Although it is science-themed, the garden will also have cross-curricular use as an outdoor teaching aid for help with literacy and numeracy." *Continued on page 2.*

Hillcroft celebrates launch of Darwin-themed garden

Continued from page 1.

The garden is divided into ten different themed zones - Weeds, Fossils, Worms, Mini-beasts, Cabbage Patch, Wild-flower Meadow, Birds, Orchard, Science Shed, and Weather. The gentlemen from the Men in Sheds project based at the Douglas Brunton Centre adjacent to the school used their skills to help create the zones, making it a truly 'community' project.

Following Mr Holloway's presentation, the guests were invited to go out into the school field where pupils were ready and waiting at each of the ten stations to tell visitors about the zones and answer questions. Great, great grandson of Charles Darwin, Randal Keynes, author of the book 'Creation', the true story of Charles Darwin which was made into a film starring Paul

Bettany and Jennifer Connelly, said: "Although my father and grandfather were also scientists my interest has always been in buildings. However, I became fascinated with Charles Darwin when English Heritage asked me to re-search the history of Down House where Charles and his family lived. I am delighted to be invited here today and it is wonderful to see the children so inspired by the Darwin-themed garden."

Age is no barrier to football fun!

You might think it's all over... but with the new sport of Walking Football it doesn't have to be time to hang up your boots.

Walking Football is a slow-paced version of the beautiful game aimed at the over 50s and it is about to kick-off at Whyteleafe Community Sports Centre this September.

It is designed to help people keep active, as well as getting former players, male and female, back on the pitch to recapture the excitement of competitive sport. At the same time they will be improving cardiovascular fitness, muscle strength, joint mobility and concentration skills.

As the name suggests, Walking Football is non-contact and anyone who sprints, runs or jogs while the ball is in play will be penalised with a free-kick awarded to the other team.

Run in conjunction with the Surrey FA and Astrosoccer4u, one hour sessions will take place every Thursday between 4pm and 5pm

Walking Football.

from 3rd September on the latest 3G artificial surface, used by Whyteleafe FC for its Ryman League One home matches.

Whyteleafe Community Sports Centre Managing Director, Clive Davis, said: "Walking Football is ideally for men and women aged 50+ and can be played regardless of physical ability and experience. "There are many older adults who love sport, and in particular football, but feel that they can't participate in traditional programmes due to falling health and fitness levels. It's ideal for that particular group. Walking Football in Whyteleafe will attract a great mix of people to get together for fitness and fun. And it really doesn't matter if you've never played before."

To register or to find out more about Walking Football at Whyteleafe Community Sports Centre, Church Road, Whyteleafe, CR3 0AR, ring us on 0208 660 5491 or email donna@astrosoccer4u.co.uk.

75th anniversary of the Battle of Britain

The Battle of Britain Memorial Flight will be making their annual appearance at Kenley Airfield, Hayes Lane, Kenley, on Sunday 16th August at 3.45pm to commemorate 'The Hardest Day' during the Battle of Britain. Weather permitting, they will be making a full display, sponsored by the Kenley Airfield Friends Group. Event Organiser, Mike Street, said: "We strongly recommend that spectators arrive in plenty of time as display times are subject to alteration. It is also important that they stay on the War Memorial side of the crowd line for the best view of the display and for safety reasons."

"When the planes come into view, please wave like mad to let the pilots know how good it is to see them!"

Kenley Heritage Day

The event coincides with Kenley Heritage Day which is taking place between 12pm and 4.30pm on the same day on the Portcullis Club field in Victor Beamish Avenue. There will be guided airfield heritage walks, a barbecue, tastings of 1940s food, a licensed bar in the Portcullis Club, a model aircraft display and a number of stalls.

The Hardest Day

As an added bonus, on Tuesday 18th August, at around 1pm, a squadron of eight Spitfire and Hurricane aircraft will be making a flypast over Kenley Airfield, also to commemorate 'The Hardest Day' of 18th August 1940.

Diary of a Plantaholic

by Sue Baines

A job in time saves 99 (well almost!). The bugs seem to be growing every bit as fast as the flowers at this time of year. The main culprits in my garden seem to be the ants. I always investigate if I see them walking up a stem, as ants always have a purpose. They take black fly and carefully place them on each stem, or leaf, knowing that within hours the black fly will have multiplied. The black fly are then milked by the ants, causing the plant to suffer dramatically. In hot weather the process seems to be exacerbated. I often look at a plant with dark stems and wonder why it is suddenly ailing. I have particularly noticed black fly, but greenfly and Lupin aphids (that are so cleverly disguised as part of the new flowers) will all be just as damaging. I try and squidge them when I see them, but if you do use a spray, make sure it is early morning, or late evening once the bees have finished.

Sue Baines

Ants in the ground can also be quite destructive, as they 'sift the soil' drying out the plant roots. I have used ant nematodes, and this appeared to work in the soil. It does not kill them, but encourages them to move away from that area. Sadly it did not work in the conservatory, and I resorted to Antstop, which was more effective. Cutting back, watering and feeding continues, as does tying up plants, hopefully before damage occurs. This year seems to have been particularly windy. Wet growth can be extremely heavy, so cut any surplus growth before a deluge, if possible. Despite the challenges, the garden is still looking gorgeous.

New President for 'COGS'

On Saturday 20th June, Caterham, Oxted and Godstone Lions ('COGS') held a fundraising Garden Party in aid of Caterham Dene Hospital.

During the party the club held its 'handover' ceremony which saw Fran Pavely, who has been president for two years, hand over the reins to Lesley Day.

As part of handover traditions, some awards were handed out.

A brick was awarded to Tony Gordon for his reliability in setting up the monthly meetings, and a pane of glass went to John Quincey for always making things clear to all members, new and long-standing.

Warlingham Park pupils race for Lily

Putting their resourcefulness into practise, Warlingham Park School pupils raised money for their 'Charity of the Year' by completing one lap of the playing field in the most original way. On Monday 6th July the playing field was awash with children wearing The Lily Foundation's logo colours of pink, green and purple. The Infants set off first skipping, hopping and jumping and were swiftly followed by the Juniors on stilts, crawling, jumping in sacks, cartwheeling and even pushing an empty pram!

Every year, the pupils at Warlingham Park School support a charity of the pupils' choice. They are encouraged to support a child-focused charity to help them relate to the cause and a charity with a local focus to help them understand the meaning of Community. This year their charity is The Lily Foundation, which is committed to finding a cure for Mitochondrial Disease through funding research, raising awareness and providing family support. Deputy Head Teacher, Mrs Gravett, said: "It was a

perfect celebration to a year of raising money for The Lily Foundation. We are absolutely delighted to be able to offer the organisation our support this year." The day's fundraising raised £250 for The Lily Foundation through donations and the purchase of merchandise and refreshments.

TV chef hosts 'Ready Steady Cook' session at Oasis

On Wednesday 15th July TV Chef Paul Rankin spent all day sharing his knowledge, expertise and some tasty recipes with the students and staff at Oasis Academy Coulsdon.

The chef of 'Ready Steady Cook' fame hosted a version of the competition with Year 7 students, creating a tantalisingly tasty stuffed pepper and ratatouille from the ingredients chosen by Food Technology Teacher Mrs Buckingham, which students then spent the rest of the lessons copying and perfecting with Paul's help. Mrs Buckingham said: "We are very fortunate that Chef Rankin gave up his time to join us for the day and provided this amazing experience for our students to learn from, and work alongside of him. "Many of them recognised who Paul was when they were told he would be visiting, and were really excited

to welcome him to the Academy". Whilst in the Academy, Paul also worked with the kitchen team to inspire some tasty dishes for students to try at their break times, including confit chicken leg and dauphinoise potatoes. Kitchen Manager, John Roper, said: "Students had the chance to sample the food of a Michelin starred chef, which is a great opportunity to be able to give to them. It was great to hear him talking to the students about the importance of healthy eating and how easy it is to make simple, wholesome ingredients come to life and be full of flavour and excitement. Students were really interested to hear what he had to say and I hope we have gone some way to inspire the next generation of budding chefs".

Wimbledon comes to Whyteleafe!

On Sunday 12th July an exciting new event took place in Whyteleafe when the Men's Wimbledon Finals were broadcast live at the Whyteleafe Village Fête. Although the Fête is now in it's fourth year, this was the first time visitors were able to enjoy the tennis, live on a giant screen, while enjoying strawberries and cream and Pimms.

Organiser, Cllr. Sakina Bradbury, said: "It is so exciting to have Wimbledon here in Whyteleafe and I have received lots of comments from people saying how much they are enjoying watching the match here in the recreation ground. I would love to get the giant screen in every year and watch the crowds grow!" Last year's Fête raised £500, which was put towards the Whyteleafe Christmas Fair.

Eating Out

Check out the new Argentine Steakhouse - Now at Bambinos

On Friday and Saturday evenings and all day Sundays, the popular 'Caffe Bambino' in Croydon Road, Caterham now transforms into Caterham's only Argentine steakhouse!

Majid, the owner of Caffe Bambino, has brought in César, who used to own La Braza Latina in South Croydon, to manage the steakhouse and César's delightful daughter Nathaly is the chef. Together, they make a superb team producing authentic Argentinian cuisine and a great service.

My partner Roger and I visited on a Friday evening, looking forward to seeing how the familiar cafe venue worked as a steakhouse at night. Anyone familiar with Majid's legendary hospitality will not be surprised to know that it worked very well and we immediately felt happy, relaxed and ready for a great evening.

We were recommended the Pinca la Colonia Malbec red wine from the 'small but well chosen'

wine list, a lovely, smooth wine with a sweet and spicy aroma (£17.95).

I chose the Empanadas (Pasties) for my starter and Roger chose the Ribs. My vegetarian patties were made with Quorn mince, chopped olives, egg, raisins and spring onions and were very tasty. Roger said the special sauce on his Ribs had "quite a spicy kick" and were nice and meaty. Nathaly said the sauce is called 'Chimmi Churri', made to their own special recipe.

I had a large portion of one of the starters for my main course, the lovely cheesy 'Aubergine Mendosa' but there was also the option of the 'Crespolini' (homemade crepes) on the main course choices, which I look forward to trying another time. There were also chicken and seabass/salmon options on the menu for those not wanting steak.

The Chargrilled Specialities offers a Mixed Grill for two people, a Fillet Steak Burger, a butterfly cut Churrasco steak and Fillet steak, which had the option of 300g for £19.95 or 400g for £25.50. The photo shows the 400g Fillet steak that Roger had, which represents great value compared with steakhouses elsewhere, especially as the vegetables, including fries, are included in the price.

The interior of the steakhouse.

The 400g Fillet steak.

All the food was freshly cooked by Nathaly and was superb. Like other diners in the restaurant, Roger and I will definitely be returning customers! See below for steakhouse opening times.

Fun for all the family at the Old Coulsdon Village Fair

A classic car display, an American Civil War re-enactment group and a great line-up of arena acts were just a few of the many attractions at the Old Coulsdon Village Fair on Sunday, 5th July.

Thousands packed Grange Park again this year for the hugely popular local event, organised by members of the Rotary Club of Coulsdon Manor and their supporters.

On Sunday 19th July, Gatton Park in Reigate hosted its first Art Funday, a partnership between Art Matters, Gatton Trust and Expired Posters in Co-operation with Free Art Friday. One of the organisers, Bogdan Zarkowski, said: "For a first time event it was a huge success with a great party atmosphere and we hope to make it an annual event. The event took place in the magnificent Edwardian grounds of Gatton Hall. See www.gattonpark.com

CATERHAM SCHOOL

Caretaker (non-resident)

£18,028 - £19,831

September 2015

Caterham School is set in a beautiful 200 acre campus less than a kilometre from Caterham town centre. With large leafy grounds, impressive playing fields and attractive school buildings, we are committed to offering a safe and secure environment for all our pupils, staff and visitors. This is a whole school role, covering Pre-Prep School, Prep School and Senior School.

Along with attractive rewards, you will enjoy an exceptional working environment on our 200 acre campus, including access to excellent sports and catering facilities. We are just five minutes' drive away from the M25 and a short walk from the local station. For an application form and job description please see our website www.caterhamschool.co.uk
